### What You'll Learn:

- **Entrance Requirements:** Discover the qualifications needed to apply, including necessary prerequisites and lower division general education requirements.
- **Upper Division Courses:** Gain insights into the specialized courses that form the core of the upper division curriculum.
- **Curriculum Overview:** Understand the comprehensive curriculum designed to equip you with the skills to manage emergency environments, innovate within organizations, and address ethical and legal considerations.
- **Key Timelines:** Learn about important dates and deadlines for the application and enrollment process.
- **Q&A Session:** Have your questions answered by our program experts during a dedicated Q&A period.

### Why Attend?

- **Expert Insights:** Hear directly from program directors and faculty about what makes this program unique.
- **Comprehensive Understanding:** Get a detailed overview of the program structure, including specializations in Emergency Management, Emergency Medical Services Management, and Modern Policing.
- **Recorded Sessions:** Can't attend live? The webinar will be recorded and made available on our program's web page shortly afterward.

### Who Should Attend?

- Current public safety professionals
- Aspiring Emergency Management Directors and Public Safety Managers
- Professionals in fire and emergency services, law enforcement, emergency medical services, and related fields
