2024 Group A | Committee Action Hearing #2 (CAH#2)

The 2nd code action hearings for Group A will start at 3:00 PM (Pacific Time) October 23, 2024. This will allow for Membership Council meetings to be held prior to the start of the hearings and CAH attendees to participate in the panel discussion event.

Prior to the hearings there will be two events at the annual business meeting that relate directly to the code hearings that may be of interest to attendees.

- **Code Process & Hearing Training:** Noon (12 PM) – 1 PM (Pacific Time) on 23 October there will be a [Hearings 101](#) class to orient attendees to the process.
- **Looking Back Panel:** 1 PM – 2:30 PM (Pacific Time) on 23 October there will be a [panel looking back](#) at how this all come together 30 years ago when ICC brought the regional building codes together for a national solution (aka the I-Codes).

The hearings will be conducted **in-person only**. The hearings will be streamed live for individuals wishing to watch them online (note this is a watch only option).

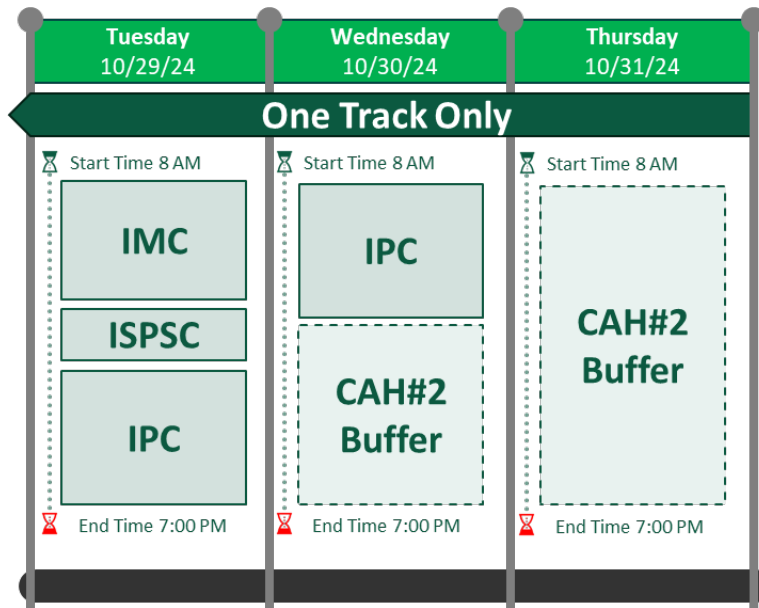

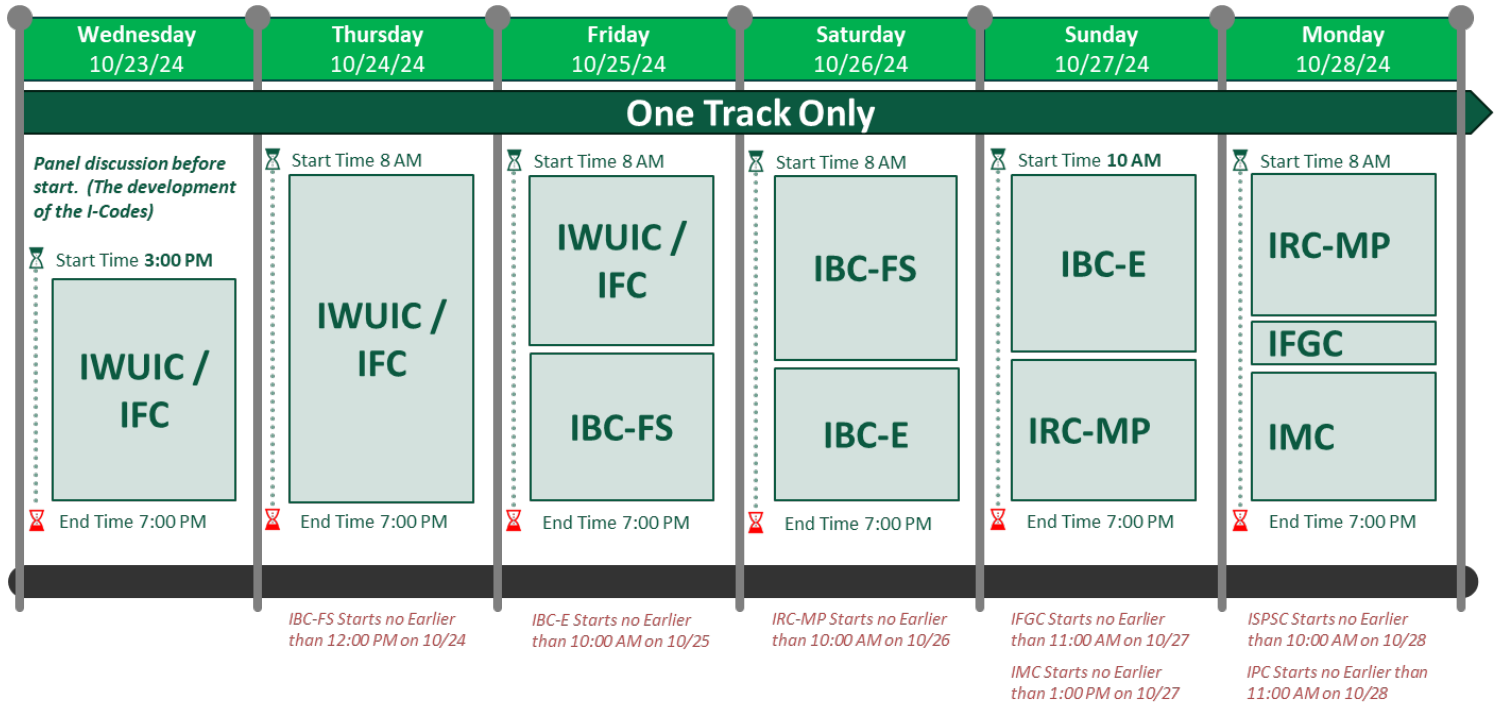

Unless noted by “Start no earlier than...” each Code Committee will begin immediately upon completion of the hearings for the prior Committee. This includes moving a Committee forward or back from the day indicated based on hearing progress. The actual start times for the various Committees are not stipulated because of uncertainties in hearing progress. The schedule anticipates that the hearings will finish on the date indicated in the schedule provided below. This may require going beyond the scheduled finish time.

Hearing Registration

You can register for the Code Action Hearings on the [ICC Annual Business Meeting + Hearings](#) page.

Important Notes

1. Comments to CAH#1 Code change agenda to be posted on or before September 5, 2024.
2. Hearing times may be modified at the discretion of the Chair based on hearing progress.
3. Morning and afternoon breaks will be announced. A lunch break is planned. A dinner break is not planned. The hearings are scheduled to adjourn for dinner and resume the next day, unless otherwise necessary to complete the agenda.
4. Because of uncertainties in hearing progress, the start time indicated as “Start No Earlier than [8 AM or 12:00 PM]” is conservatively estimated and is not intended to be a hearing progress target.
5. Consult the hearing order in the posted code change agenda for:
 - a. Comments to CAH#1 for Code changes to be heard by a Committee other than the Committee under which the code change is designated.
 - b. Comments to CAH#1 for Code changes comprised of multiple parts where each part is heard by a different Committee.
 - c. Comments to CAH#1 for Code changes to the definitions to determine the applicable Committee who will hear the change to the definition for the respective code.
